[QATC-813236] File: Create Gallery: Creating a gallery is possible when more than 4000 picture is opened in the window Created: 04/Aug/23 Updated: 09/Aug/23 Resolved: 09/Aug/23

Status:	Resolved
Project:	Training Center
Component/s:	Kimba
Affects Version/s:	2.0
Fix Version/s:	None
Security Level:	Leads and Reporter only (Security level Leads and Reporter)

Type:	Bug	**Priority:**	Major
Reporter:	Md Mahirbin Foysal	**Assignee:**	Unassigned
Resolution:	Fixed	**Votes:**	0
Labels:	None		
Remaining Estimate:	Not Specified		
Time Spent:	Not Specified		
Original Estimate:	Not Specified		
Environment:	**OS:** Windows 10 pro, 64-bit		

Attachments:	🗋 4000+ images are opened in the window.mp4
Severity/Importance:	3-Average
Error Type:	Functional

Description

Steps to reproduce:

1. Open the Kimba 2 application
2. Open an image folder that has more than 4000 pictures by clicking on the File the Folder
3. After fetching Click on the file then Click on Create Gallery
4. Click on Create
5. Then click on Ok
6. Opened the create folder and count the pictures

Actual Result: Creating a gallery is possible when more than 4000 picture is opened in the window.

Expected Result: The window can open only 4000 pictures at a time. The gallery should be created less or equal to 4000 pictures.

[QATC-813222] Title Bar: The title bar background color is the same as the window color Created: 04/Aug/23 Updated: 09/Aug/23 Resolved: 09/Aug/23

Status:	Resolved
Project:	Training Center
Component/s:	Kimba
Affects Version/s:	2.0
Fix Version/s:	None

Original Estimate:	Not Specified		
Environment:	**OS:** Windows 10 pro, 64-bit		

Attachments:	🗎 license window is not displayed.mp4
Severity/Importance:	2-Major
Error Type:	Functional

Description

Steps to reproduce:

1. Double-click on "Kimba2install.msi
2. Click on next
3. Select Everyone radio button
4. Click on next
5. Click on next
6. Click on administrator permission yes
7. Click on Close
8. Observed the result

Actual Result: Installation time there is no window for license permission when clicking on all window next button

Expected Result: Installation time there should be a license window with all valid information with two check box.
